One-level living at its finest! This custom Stonegate rambler is perfectly nestled on a private lot overlooking serene wetlands and nature views. The backyard oasis is designed for entertaining with extensive landscaping, a paver patio, firepit, and every chefs dream setuptwo outdoor grills with bar seating. Inside, you are welcomed by engineered wood floors and an open, inviting layout. The main floor includes a home office, upgraded enamel trim and casing, 8-foot one-panel doors, and a stylish half bath with full shiplap walls. Modern cable railings add a sleek touch. The gourmet kitchen impresses with enamel cabinetry, stainless steel appliances, double oven, tile backsplash, and a large center island. Transom windows flood the great room with natural light, highlighting the linear fireplace with modern tile faade and built-in cabinetry. Step out to the screen porch or deck with glass railing to enjoy the stunning views. The primary suite is a true retreat, featuring a box-up ceiling with crown molding and a spa-inspired bathroom with heated floors, freestanding tub, glass-enclosed shower with decorative tile, quartz counters, and custom closet. The lookout lower level is an entertainers dream, complete with a media area, game space, and an impressive walk-behind bar with granite counters, bar rail, high-end backsplash, and beverage fridge. Two bedrooms, a bath, a dedicated game room, and ample storage complete the lower level.
